### **About Myra's Angels Foundation**

Myra's Angels Foundation (MAF), is a 501(c)(3) non-profit organization, created to support the lives of foster and homeless youth in the Wake and surrounding Counties. Far too often these youth in transition move from home to home carrying scant belongings in trash bags. MAF's mission is to provide immediate, basic essential items in the form of "Angel Care Bags" filled with personal care items such as toiletries, pajamas, blankets, comfort items and more.

### **What We Do**

MAF provides bags filled with basic essential items (toiletries, clothing items, comfort items.) We believe that we can improve the lives of these Angels when their immediate basic needs are met. Together we can support, empower and uplift the lives of homeless and foster children, supporting the dreams and hopes of every child.

# The Precious Angels

## Foster Youth

- 71% of states note a continued rise in children entering foster care.
- 16,000 children in North Carolina are in foster care.

## Homeless Youth

- 2.5 Million (1 in 30) children in the US are considered homeless.
- Over 3,000 children in Wake County, NC are considered homeless.

**Evidence has shown that these children experience tremendous psychological and emotional stress during transitions into foster care and homelessness.**

### How do we support the Angels

- MAF works with social workers and case workers, where our child referral form is used to collect basic information such as race, age, gender, clothing size, and placement. With this information in hand, the MAF team and its volunteers work to fill the need in a very personalized and unique way.
- Making the Angel Care Bag very specific to that individual child. We pull together items and bags that not only meet their basic needs but feed their interest and show them love.

## The Impact

**MAF's mission is a building block and provides a great impact on the children and their communities by providing each child with an Angel Care Bag containing new belongings and basic needs such as (full-sized toiletries, PJs, blankets, undergarments, socks, journals, books, toys, stuffed animals, school supplies, and much more)!**

- Since 2017, more than 1000+ Angel Care Bags have been delivered to homeless and foster children.
- MAF has a deep network of partners, social workers, case workers, volunteers and connections which allows us to provide its services to all groups of children of any race, or ethnicity, from newborns to 18 years old.
- MAF prioritizes homeless and foster children in Wake County and surrounding counties in the State of North Carolina.
